Student: **Talis Borach**

Site: **Site 1**

Grade: **3rd**

Level of SPELL-3 Administered: **1**

Date of Birth: **2/10/2014**

Date of Test: **12/9/2022**

Age: **8 years, 9 months**

Evaluator: **Jade McLaugh**

PERFORMANCE-BASED INTERVENTION PLAN

1. Teach the prescribed (**bolded**) SPELL-Links Lessons in the order listed. 2. Begin each prescribed lesson with the starting point activity (indicated by the downward arrow) and sequentially proceed through all of the following activities in the lesson before proceeding to the next prescribed lesson. 3. As each activity is completed, use a checkmark to indicate that the student did not struggle with the activity or an X to indicate that student struggled and needed to repeat the activity to achieve mastery. 4. Upon completion of each lesson, administer the mastery measures and enter the date completed and scores received. 5. Enter spelling and reading fluency data collected by independent progress monitoring tools when available.
